Subject: Support for Miss Philippines Earth Fire 2025 – Jaymie Strickland

Dear Sir/Madam,

Jaymie Strickland, **Miss Philippines Earth Fire 2025**, is required to attend the **Miss Earth International Pageant** on **November 5, 2025**, at **Okada Manila**, as part of her duties in holding her elemental crown. Although she has been granted permission to return to the United States to continue her environmental advocacy projects, her participation in the international event remains an essential obligation.

Representing **Tallahassee, Florida**, and the **Big Bend Filipino American Association (BBFAA)**, Miss Jaymie Strickland will proudly join the other elemental winners in welcoming delegates from around the world competing for the Miss Earth 2025 crown, fulfilling her role as one of the official hosts and environmental ambassadors of the Miss Earth Organization.

In line with this, Miss Strickland would like to humbly request financial support to help cover her airfare to the Philippines, enabling her to fulfill this official responsibility and continue representing her hometown and community with pride, grace, and commitment to the Miss Earth mission of environmental awareness and sustainability. **Any amount you can contribute toward her airfare would be deeply appreciated.**

Thank you for your kind consideration and support of our very own Miss Philippines Earth Fire 2025, Jaymie Strickland.

Sincerely,

Lally Mosley

Pageant Coordinator
